Dear Families,

We are excited to announce our sixth year of St. Monica - St. Michael School’s summer enrichment program! We are proud to offer 6 weeks of camp for those in Preschool (age 3) to a child entering 3rd grade (age 8).

Summer Sizzling Saints provides engaging activities including crafts, active games and social emotional learning. Academic opportunities each week follow a theme and help bridge the summer learning gap. Camp will be led by Erika Saxton, SMSM’s Saints Teacher.

The program will run Monday - Friday, 7:30am - 4:30pm. Campers should bring a morning snack, afternoon snack, lunch and a water bottle. A detailed packing list, permission forms to complete, and an outline of our health and safety strategies will be included in a welcome packet for families after enrollment. The camp program must meet a minimum number of campers to run; families will be notified and deposits refunded on June 1st if minimum enrollment is not met. A waitlist will be maintained once camp reaches capacity.
